U.S. ENVIRONMENTAL PROTECTION AGENCY

List of Municipal Waste Landfills

December, 1986

Compiled from EPA's State
Subtitle D Program Census

REPRODUCED BY
U.S. DEPARTMENT OF COMMERCE
NATIONAL TECHNICAL
INFORMATION SERVICE
SPRINGFIELD, VA 22161

Introduction

The Office of Solid Waste (OSW) of the Environmental Protection Agency has compiled this list of municipal waste landfills from lists submitted by the individual States and Territories. The States and Territories provided these lists with their responses to OSW's Census of State Subtitle D Programs, conducted in fall 1985.

Our intention in compiling this list is to provide one source for a list of municipal waste landfills in the United States. Until now, anyone desiring a list of landfills would be required to contact each State and Territory individually.

This list contains the available information from State records. No attempt has been made to verify the lists. Some lists may be incomplete or outdated, but were the best available at the time the information was requested. This list includes 7,683 of the 9,284 landfills reported in the "Census of State and Territorial Subtitle Non-Hazardous Waste Programs."

We wish to thank all of the State and Territorial officials who contributed their time and energy to provide these lists to OSW.
